PURPOSE FOR REQUESTING THE POSITION

The current situation of the Language Area in the Department justifies the request, considering the general aims and objectives of the Academic Project of FEUSP. It is also necessary taking into account the broaden scope of the area, not only in teaching but also in research and extension activities. Hence, the department seeks a professor who is able to integrate de theoretical and practical dimensions, demonstrates specific knowledge about the interface of Art and Teachers Education, with a focus on early childhood and the initial years of elementary school, as well as is capable of articulating this specific field to the most widespread issues in the area.

INDIVIDUAL WORK PLAN

Teaching

The candidate hired for the position will teach at least, 2 groups of students per semester in the following courses:

- EDM0347 - Theoretical and Methodological Fundamentals of Teaching Art
- EDM0336 - Methodology of Teaching Art
- EDM0350 - Integrated Internship Project in Teaching Language
- EDM0689 - Text and Image: literature for children at school
- EDM0611 - Art/Education: histories and artistic practices

Such courses are related to mandatory and optative ones, as part of the political pedagogical project of FEUSP and of the formative tracks. It is important to note that, when applicable, the

hired professor will supervise practicum activities (mandatory internship supervision). Besides, the professor may be requested to offer courses in the graduation programme at FEUSP.

Research

The hired professor will have to develop research projects related to the field of language; supervise final course writing assignments (TCC), as well as initial scientific research (IC) and PUB (in the scope of research). The professor will also participate in calls for funding internal and external research and participate or create research groups related to the language field.

Culture and Extension

The hired professor will have to participate and propose culture and extension activities with different formats (courses, events, projects, among others), collaborating with the department in order to fulfill the curricularization of the extension and broadly disseminate the culture and extension activities related to the language field.

Management

The hired professor will have to actively participate in the management activities, representing the department in committees, commissions, work groups and other board groups in the unit in order to contribute to the democratic management of the unit.

Expected impact with the provision

The Department expects the provision will balance the offering of courses, as described in the Academic Project of the Department, as well as strengthen the learning tracks of students with the regular offer of groups in the optative courses, attending to the number of students that look for them. In general, having the professor in the Department will benefit the qualified education related to the language issues that we offer to the future teachers.
