

RESULTADO GERAL DOS ESTUDOS INDEPENDENTES 2020-2021

(Atualizado em: 20 fev. 2022)

- 1) Os dados estão organizados por nº USP, em ordem crescente. Role para baixo ou faça uma consulta rápida pelo nº USP, apertando “Ctrl+ F”.
- 2) O total de horas integra tanto o total de horas do registro semestral de atividades (concomitantes ao curso de Pedagogia) como as horas validadas no processo de aproveitamento/equivalência (de quem solicitou e obteve deferimento).
- 3) Para quem for colar grau, os resultados da lista abaixo serão somados ao total de horas acumuladas no sistema de [“Consulta dos Est. Ind. - resultados até 2019”](#).
- 4) E quem já tem a carga horária de Est. Ind. exigida pelo currículo não poderá mais realizar novos registros, uma vez que no histórico escolar é inserido apenas o total de horas previsto no currículo (200h – currículo atual [48015]; 480h – currículo antigo [48014]).
